

AGENT IFRAME® FOR DDF® AND VIREB'S IDX DATA FEEDS

PRESENTED BY TRES LABS

About TRES Labs

- * Specialize in Canadian IDX and DDF® database development and management
- * In business since 1999; offering IDX services for VIREB since 2006; VREB and DDF® since 2014
- * Managing partners are Sachin Shrestha, M.Sc., and Aaron Lagadyn, B.TMGT(Dist),UC:CMIS
- * Most recognized product is Agent iFrame®

What is Agent iFrame®?

- * Show automated listings anywhere you can copy-paste HTML, including:
- * Wordpress, Point2, SquareSpace, Wix.com, Facebook, and many other platforms
- * All inquiries flow to advertising agent

Benefits

- * Copy-paste into an unlimited number of sites at no extra charge
- * Market to niche audiences, like stratas and neighbourhoods with listings filters and a dedicated site
- * Show listings from multiple boards and build a referral network
- * Advanced filters for VIREB IDX listings let you filter by keywords and more

Facebook

- * Create an “iFrame” tab in Facebook and show automated listings on a separate page
- * Visitors can surf listings in Facebook without being redirected
- * Seamless, less commercial, more social experience
- * Set-up assistance available for listings and new business pages

Which is best for your business, DDF® or VIREB's IDX?

- * IDX version is highly customizable to your business
 - * Updated 2x per day
 - * \$14.95/mo
- * DDF® version spans boards, shows any listings in Canada
 - * Updated 1x per day
 - * \$4.95/mo
